Chairman Kast called the work session of the Poquoson City School Board to order at 7:05 p.m.

I. School Consolidation. The Superintendent presented information the Board requested in the October meeting related to consolidation. The Board held an engaging and lengthy conversation about whether or not to pursue consolidation. By majority consent it was decided not to move forward with consolidation. The next step will be to meet with City Council and discuss a plan for the middle school.

II. CIP. The Superintendent presented the updated CIP to the Board and gave an overview of the different items. The CIP will be brought to the Board for a vote at the December meeting, with an understanding that the numbers for the middle school project will be unknown at that time.

III. Bully Prevention Update. Vice Chair Whittaker proposed that this presentation be moved to the December meeting. She noted that she, Chairman Kast and the Superintendent had a good meeting with Ms. Shambach who shared some great ideas and suggestions. The Board agreed to move the presentation to December. The Superintendent will provide a summary of the meeting with Ms. Shambach for the Board in the weekly update.

IV. School Board Meeting Schedule. Vice Chair Whittaker proposed that the discussion of the School Board meeting schedule be moved to December. The Board agreed.
