Chairman Carter called the work session of the Poquoson City School Board to order at 7:20pm.

I. School Board Role and Responsibilities: Chairman Carter began a discussion by handing out the PCPS School Board Members Roles and Responsibilities, as well as state code. Vice Chair Whittaker shared that she sent out the VSBA Oath for School Board Members and a copy of the York County School Board Roles and Responsibilities. Board members discussed the roles and responsibilities and offered their insights. A recommendation was made to have the Superintendent arrange a training session with VSBA and, at that time, the Board would review the roles and responsibilities to make any changes or updates, and have a discussion about adding items to the agenda. All Board members present were in agreement that this was a good idea and expressed their desire to participate in the training session with VSBA. The Superintendent will look to schedule this training in August of 2018.

II. New Matters by the Board: There were none.

There being no further areas to be discussed by the board, Chairman Carter adjourned the work session at 8:23pm.
