I. Public Response to Superintendent's Budget Presentation. Robin Sydnor called the meeting to order at 6:00 p.m.

Megan Connelly-Grothaus spoke in support of the budget, and requested that we continue to focus on the quality of education the community is known for and that the TAG program be continued.

A second visitor just wished to listen to the comments.

The board had no comments. The superintendent informed the board that the senate has just passed a version of the budget, but it now has to go to the House. She does not believe we will have results of a vote in time to affect our budget which must go to the city by April 1. We will move forward with our timetable, and will amend as needed in the future.

There being no further public comment, the meeting was adjourned at 6:05 p.m.

Robin Sydnor, Vice Chair

Patricia McDowell, Clerk of the Board
