Chairman Carter called the work session to order at 7:47 p.m. and the following items were discussed:

I. School Consolidation Report. Dr. Jennifer Parish presented the school consolidation report as produced by the Consolidation Committee. The committee recommended that the schools not be consolidated at this time; however, if anticipated enrollment decreases come into fruition by 2016, the committee recommended that the Poquoson Primary School be closed and consolidated with the Poquoson Elementary School. A copy of the report is attached to these minutes.

II. Summer School Board Meeting Schedule. The Board discussed the summer schedule for meetings and determined that they would meet only once in July in order to organize the Board for the upcoming year. Other meetings would take place at their normally scheduled times.

There being no further business at the work session, Chairman Carter adjourned the meeting into a closed session at 9:05 p.m.
