Aviation Academy - Intent to Participate Form

Poquoson City Public Schools, in partnership with Newport News Public Schools,
is offering students the opportunity to take courses
in the Aviation Academy program.

Student Name _____

Current Grade Level _____

I have read the PCPS Aviation Academy Information sheet and would like to be considered for a slot in the class for the 2021-2022 school year. By signing this form, I am selecting to participate in the program, and I acknowledge that I understand:

- There are a limited number of slots available for students to participate in the program.
- Students will be selected for the class based on a lottery system.
- To be considered for a slot, I must submit a completed Aviation Academy Application, this Intent to Participate form, and register for an Aviation Academy class. I must also designate a second elective option in the event I am not selected to take a class through the AA program.
- I will be required to take an online course if enrolled in the AA.
- I may have to eat my lunch on the bus on the way to the AA.
- If I have morning classes at the AA, I will arrive to PHS on-time and be transported to the AA and back to PHS.
- If I have afternoon classes at the AA, I will be transported from PHS to the AA and then back to Poquoson Middle School at the end of the school day. I can ride the middle school bus home or to PHS for after-school activities.
- If I want to drive to the AA, parent permission will be required.
- I cannot withdraw from an AA class until the end of the first semester. At that time, if the decision to withdraw is made, I will be placed in the elective that has the lowest student enrollment at PHS.
- I must adhere to the rules and regulations of the PCPS Student Handbook and Code of Conduct at all times.
