

March 9, 2021

Dear Poquoson families,

In order to comply with federal and state legislation, PCPS will be administering SOL tests this Spring. Due to the unusual nature of this school year, SOL testing will look different than previous years, to include changes to the Parent Refusal option.

PCPS is asking all parents/guardians to review the following documents and presentations:

1. [Spring 2021 SOL Parent/Guardian Letter](#) (PDF document)
2. [Parent/Guardian Refusal for SOL Testing Information for the Virginia Assessment Program](#) (PDF document)
3. [Spring 2021 SOL Testing Information for Parents/Guardians \(PowerPoint presentation\)](#)
4. [Spring 2021 SOL Testing Information for Secondary Parents/Guardians](#) (Grades 6-12)\**This PowerPoint presentation includes important information about graduation requirements.*

***PCPS is asking all parents/guardians of students in Grades 3-12 who wish to submit a PCPS Parent Refusal for Testing Form in the Parent Portal do so by Tuesday, March 16. Instructions on how to access this form in your Parent Portal account can be found [HERE](#)\****

*\*To complete and submit a form, parents should access Parent Portal from a web browser, rather than using the app on a phone.*

Questions regarding assessment administration or requirements may be addressed to your child's school counselor, the School Based Testing Coordinator, or the PCPS Director of Accountability, Student Achievement, and Technology.

Poquoson Elementary Testing Coordinator  
Ms. Ruth Marie Cason
