

4/25/2021

Good afternoon PCPS Families,

This email comes as a reminder for all families with students in grades 6-12 about SOL assessments and transportation needs on testing days.

As we approach our May SOL testing window, it is important for us to know if you will be submitting a Parent Refusal for any SOL assessment your child may need this spring and if your child will need PCPS transportation on Wednesdays.

We ask that you please take a moment to review the most recent email sent to families which contains both transportation and parent refusal information.

[PMS SOL Testing Email to 6th & 7th Grade Parents \(4/15/2021\)](#)

[PMS SOL Testing Email to 8th Grade Parents \(4/15/2021\)](#)

[PHS SOL Testing Email to 9th - 12th Grade Parents \(4/15/2021\)](#)

If you have already responded to requests for SOL testing refusals and transportation information, then no action is needed on your part right now.

We thank you in advance for assisting us so we can complete our planning ahead of Wednesday, May 5, 2021.

We wish our 8th and 11th graders the best of luck on the English Writing Short Paper this coming Wednesday.

If you have any questions, we ask that you call your child's school tomorrow.
