

Good morning Poquoson Families,

You are in receipt of this email because you selected Option #1, the Continuum of Learning, for your student at the start of the second semester. In order to prepare for your child's return to in-person instruction on January 25, 2021, we need to determine your transportation needs.

Using the link below, please complete the transportation form so we can begin to develop our transportation routes. We ask that families please submit this information as soon as possible but no later than noon this Friday, January 15, 2021.

At this time, we are not be able to tell families if your child will attend school on the "A" or "B" day rotation – that information will be coming directly from the school very soon.

If you have any questions about this form, please contact the Transportation Department at (757) 868-3055 or email Mrs. Shirley Martin at [shirley.martin@poquoson.k12.va.us](mailto:shirley.martin@poquoson.k12.va.us)

Thank you!
