The Student Representative to the Board attends all School Board meetings and is seated with the Board. The Student Representative to the Board is a non-voting participant who does not attend closed Board sessions. Responsibilities of the Student Representative to the Board include, but are not limited to the following:

- c) May write an article for the school paper informing students of Board actions.
- d) Serve on committees at the request of the Board.
- e) Introduce student groups as they come before the Board.
- f) Represent the Board at local and school functions.

The School Board is currently accepting applications for next year's student representative. Students applying must have a 2.5 GPA and be of good character. Students interested in serving on the Board should complete the application in this file and submit to the school board office by Friday, September 18. Applications can be emailed to [lenna.reimers@poquoson.k12.va.us](mailto:lenna.reimers@poquoson.k12.va.us). A School Board committee will evaluate applications and select candidates to interview. The Board looks forward to this opportunity to continue communicating with Poquoson's students. I encourage all juniors to consider this opportunity.
