

POQUOSON CITY PUBLIC SCHOOLS
2021 Grades K -5 Summer Academy Information & Registration

Poquoson City Public Schools is excited to offer the 2021 PCPS Summer Academy program for students to get a “jump start” for next school year. This program is open to any child who may:

- Benefit from additional instruction in reading and/or math over the summer;
- Benefit from being in a school building with peers after a year or more of virtual instruction;
- Benefit from instruction and support related to Social Emotional Learning needs;
- Benefit from enrichment activities provided by PCPS teachers

The 2021 Summer Academy program is a state funded program and is free for students to participate. Classes will be held at Poquoson Elementary School Monday through Thursday, **July 6-August 5**, from 8:30am –12:30pm. There will be no classes on Fridays. A virtual option will also be offered for those who are concerned about sending their child for in person instruction. Transportation will be provided for those who request it. These bus stops will be posted on the division web page in late June.

We are excited about the possibilities that Summer Academy will offer our students after an unusual school year. In order for students to experience success in Summer Academy, daily attendance, whether in-person or virtual, will be of utmost importance.

In order to adequately plan for Summer Academy 2021, we are asking for your commitment by returning the bottom portion of this letter to your building principal no later than **Friday, June 11, 2021**. Questions regarding your child’s placement in the program should be directed to your child’s school. General information about the Summer School program is posted on the division’s website. We thank you for your continued support and hope that you will take advantage of this exciting opportunity!
