

PCPS Happenings

READ ACROSS AMERICA WEEK WITH DR. SEUSS

PPS / PES

PPS recently held their Kindergarten Information Night where over 30 families stopped by to see the building and learn of our programs. Any Kinder families not yet registered should do so as soon as possible!

PPS will be holding CogAT testing on March 27-29 for second-grade students.

PPS recently held an assembly all students to enjoy Proton Pete who thoroughly engaged the students with science!

PES and PPS both had an excellent turnout for Real Men Read! Thank you to all!

Thank you to the 20+ community members who shared their experience with PES students during Career Week!

Join us at PES for their March Mathness program on March 23, 5:30-7pm!

PES wrapped up their cookie dough fundraiser, raising over \$22,000 for classroom supplies!

PMS / PHS

Congrats to the PMS Golden Bull Students of the Month: Eric Simmons, Amaya Lee, and Lillian Matera!

8th grade meetings will begin soon to review course selections for 9th grade with the development of a high school plan geared towards interests and post-secondary goals.

Congrats to our PMS and PHS All-State Choir delegates! Our music program continues to thrive with accolades galore! We have such wonderful talent in the classroom and on the stage.

Mr. PHS had a great turnout this year. We thank Mrs. Morrison and crew for such a fun event. Congrats to Mr. PHS: Will Cannella!

Congrats to the PHS DECA, OM, and Model UN teams who have been competing and representing PHS well!

PHS is kicking off some school spirit this spring with the SpringFest dance and pep rally (to be held after Spring Break).

The PHS Blood Drive was a great success as the SCA met their goal and then some! Thank you for all that volunteered and donated.

District

Congrats to our PES, PMS, and PHS Odyssey of the Mind teams for doing well at the regional competition! Good luck at States!

Our PES and PMS Battle of the Books teams recently competed in the regionals in Williamsburg! Great work to both teams!

PCPS sent 10 staff members to the recent Virginia State Literacy Association's Annual Conference to learn of the upcoming changes in English standards and support of Science of Reading. We are excited and getting ready for the changes!

WHRO and the Virginia Gazette continue to highlight some of our wonderful programs: our partnership with Participate Learning and the PHS Giving Garden. Check our out website and/or Follow us on social media for details!
