Happy Third Quarter!

Hello Everybody! This week begins our third quarter of school. So hard to believe! We are now halfway through the year and with that comes more academic expectations of students. Please continue to support your child by reading each night for at least 20 minutes and working on any extra practice that is sent home. We will be setting goals for ourselves this week and adjusting our growth mindsets as we face more challenging concepts during instruction.

Thank you for your continued support!

Have a super week!

Love, Mrs. Griffin ☺

Home-School Connection

Once your student has an automaticity to their reading of their sight words, have them practice spelling them. They should be able to do both if they truly know the words. The more they can spell and recognize, the more fluent reader they will become. Thank you for your continued support of this important reading skill practice! ☺
