

Instructions for Accessing the PCPSBYOD Wi-Fi Network with an iPad or other iOS Device

1. Scan for available networks on your device and choose the **PCPSBYOD** option

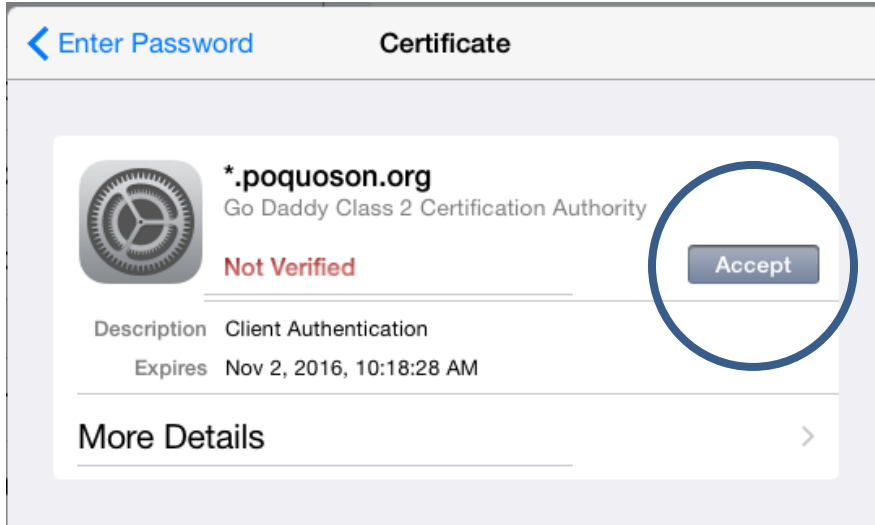

2. Once the **PCPSBYOD** Wi-Fi is selected, you will be prompted to enter your **Username** and **Password**. Please enter your student number for the username and your network password for the password.

3. Click the **Join** button to begin using the BYOD Wi-Fi network.

4. Once you have joined the network, you will receive the following message. Please click the **Accept** button to move on.

5. Once you click the **Accept** button your device should show you having joined the **PCPSBYOD** network and you can now surf the web filtered as a student.
